

Central Indiana Cursillo Center
PASTORAL PLAN
December 2006

Mission

Our Ideal is to be led by the Holy Spirit, to guide, focus, and prioritize our efforts, to evangelize the world, through the Cursillo Method.

Vision

Our Vision is to have Spirit filled witnesses, communication, and educational School of Leaders, 3-Day Weekends, and Ultreyas.

Goals

Being first and foremost a movement within the Catholic Church, we will adhere to the Doctrine of the Church.

In order to achieve the goal of effective evangelization, and always focus on our role as servants of all Cursillistas, especially those in Central Indiana.

- We will keep the Archbishop of Indianapolis and Bishop of Lafayette Dioceses informed of all functions within the CICC.
- Minutes of meetings will be sent to our Archbishop and Bishop.
- We will maintain an ongoing effort to educate all Cursillistas of central Indiana. We recognize that an informed and motivated group of Cursillistas is vital in order to effectively Christianize many environments, to continue the spiritual growth of our members, and to select new candidates to come into the movement.
- We will provide training on the Cursillo method with spiritual and informative sessions, through Sponsor Workshops, School of Leaders, and Pilgrim School.

The Secretariat is a vital ingredient needed in order to train and unite Cursillistas in the method of the Movement.

- We will provide at least one yearly Ultreya gathering for all the Cursillistas in CICC.
- We will have weekly Ultreyas,
- We will assess annually the needs of all within our region and offer whatever help is necessary.
- We will maintain our Regional and National affiliations and involvement in regional and national meetings/activities and adhere to the Policy for Cursillo Movements of the United States of America
- In order to ensure that the many logistical necessities of the Movement are handled properly, we will continue to maintain and require committees to report monthly, and assess the needs of CICC.

Since the Cursillo Movement is a self-funding operation, we will continue to maintain our finances in a professional and frugal manner and will operate only under a balanced budget.
