PreCursillo

Enthusiasm bubbled at the Workshop held Saturday, July 11 where the Cursillo 3 Day Weekend was defined as a bridge from PreCursillo to PostCursillo. Sponsors and team members create familiarity and also model the method for the candidates both before and after the weekend. Shirley Drimmel, Jim Jacquot and Carol Brechtel presented the workshop. Bob Melvin and Angie Calvetti hosted the delicious meal and snacks.

Scheduling of future 3-day Cursillo Weekends is based on applications/sponsor sheets received, so if candidates cannot attend this fall, still fill and file their paperwork. Send the completed forms to the PreCursillo Chairperson so dates can be set and candidates notified. See our website or any Secretariat member for these forms.

Always explain grouping and Ultreya, as well as invite the interested individuals to participate. Jerry Kocher Pre-Cursillo Chair 645 Holcome Ave., Rapid City, SD 57701

The Spiritual Advisor

Dear Friends,

Over a year ago I said, "Yes." to Cursillo, trusting in many ways that God directs our ways. I was anxious about what this Cursillo was about. Wow!!! Today we are approaching a big moment in the Cursillo community, a retreat. What a challenge that is, but the more we prepare for it, the more I realize how God is working in our lives, enabling us to do so many great things. It is so good to see many of you growing up in faith and the love of one another. As we are about to celebrate a Cursillo weekend, I ask you for prayers and support. Please, know that together we can do many good things, bringing our faith into better and deeper appreciation. I am grateful to God for many of you. Keep up the good work. In Jesus' name,

In Christ, the Risen Lord, Fr. Andrzej

PostCursillo

We can all help to get our new Cursillistas into a group that will be comforting to all by having an abundance to choose from. An updated list of all Group Reunions in Rapid City is located on the website. Please feel free to get in touch with any group member with further questions.

Sponsors, please remember to ask, better yet bring, your candidate to Grand Ultreya. This is a very good way to see & greet Cursillistas ~ both old ones & new ones

Let us all show our love & support to one another. "Where two or three are gathered in my name, there I am amongst them." Matthew 18:20 DeColores, Clarie Melvin ~ PostCursillo Chair

New - Media Coordinator

Bob Melvin begins assisting Ed Hubbeling with coordinating the advertisement of all of our activities. Please provide him changes and announcements that need to go in the bulletins and West River Catholic.

School of Leaders

The 2009 Pastoral Plan is finished. In successfully working through writing of these past 2 months, we have become more aware of each part of the Cursillo and how each section complements the other to complete our Movement!

The School of Leaders, "the Working Arm of the Movement," plays an important part in bringing issues to the Secretariat. It also keeps us spiritually alive with doctrine provided by our Spiritual Advisor and the technique study we incorporate into each meeting. Add to that, our prayer, grouping, and Chapel Visit and this is a night worth attending. All are invited and welcome to join us.

Two opportunities to attend School of Leaders are now available each month from 7:00 - 9:00 p.m. The 2nd Thursday has been added to the 4th Friday, See the upcoming events calendar for more details. Chairperson, Lynda Jaquot-Imberi

Scholarships Available

A nice Scholarship fund is available but limited, so if you can, please donate to our Scholarship fund. Contact Audrey Lang to either obtain one or contribute towards one. 343-1366.

Lay Director's Note

We are so blessed to have so many dedicated enthusiastic people working together to make the Cursillo Movement here in our Diocese a reality. The recent 3-Day Cursillo Weekend Workshop and the Pastoral Plan are two good examples of the work that is going on behind the scenes. I can't say enough about the grace that we have been blessed with by the work of the School of Leaders and the Secretariat.

Please offer up your prayer, sacrifices, and works of mercy for the team and candidates, then come join us as we greet the new Cursillistas at the Closures next month! This is the first set of weekend we will have had in almost ten years, so we need all of you to help us make their Closures special.

Our annual elections are taking place in November, please pray for grace and insight to elect the best people from the really good set of nominees.
