Being on a team is a serious commitment to Cursillo, the team and the future candidates. Please do not commit yourself to a team unless you are prepared to attend all team meetings. Forming this Christian Community is of utmost importance to the success of the weekend. It is a sacrifice and true Palanca! Each person on Team is expected to pay the fee (approx \$ 150.00), with the exception of Spiritual Directors, who pay nothing. Team formation is approximately a 3-month process, with a commitment to stay in contact with the new Cursillistas for 6 months to a year. Never let the cost of the weekend be the deciding factor in determining if you are going to attend / apply for the team. If cost is an issue discuss the problem with the Lay Director.
